

ONE-TOUCH WIRELESS SMART SWITCH

MIYA M40

One-Touch Wireless Smart Switch

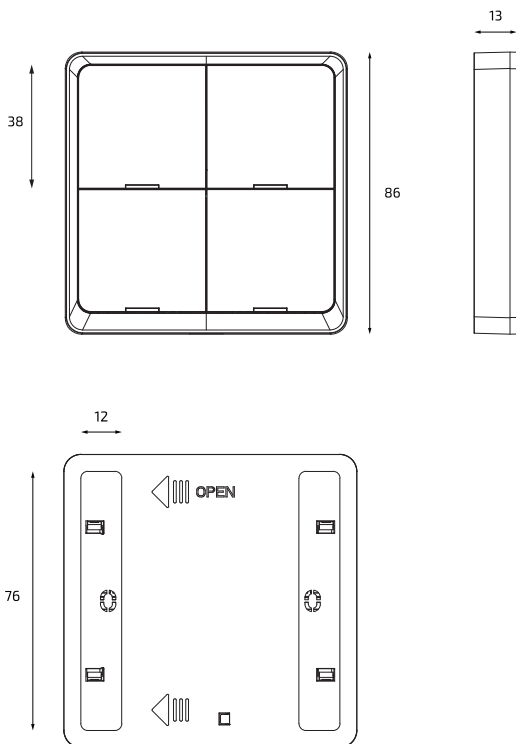

Introducing Miya M40, the one-touch full control wireless Smart Switch and Sycra®'s most advanced addition to the Miya Smart Switches product line. Engineered with cutting-edge wireless mesh communication technology, Miya M40 offers seamless connectivity for a diverse range of applications.

Designed to accommodate both AC and battery-powered inputs, Miya M40 provides unparalleled versatility and convenience with its ON/OFF, BOOST MODE, WORKACTIV MODE, and COMFORT MODE capabilities.

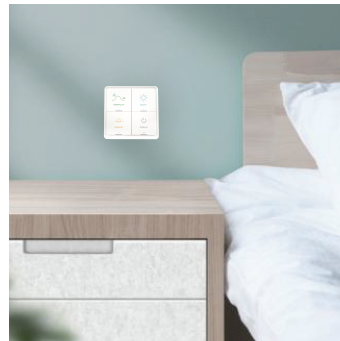

The Miya Smart Switch Family offers a variety of configuration options available, including 1 gang, 2 gangs, rotating, and 4 gangs, users can easily tailor the switch to suit their specific needs. Whether it's simple ON/OFF control, activating BOOST MODE, enabling WORKACTIV MODE, or adjusting the settings for COMFORT MODE, the Miya Family of Smart Switch offers an all-in-one solution to meet various IoT control requirements.

Technical data

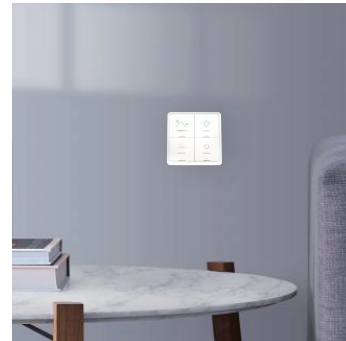

Type	4 gangs switch
